C R E A T I V E      TECHNOLOGIST

## EXPERIENCE

### GPJ

Creative Technology Director  
Oct 2019 - Current

As a member of several leadership teams, I shape the vision of creative technology at GPJ and lead the team responsible for bringing that vision to life across multiple accounts.

### TEAM ONE

Creative Technologist  
June 2014 - Oct 2019

Bridging the gap between the physical and digital creating prototypes, installations, proof of concepts and conceptual ideas for national advertising campaigns on various clients.

### THINK, MAKE, REPEAT.

Owner  
June 2016- Present

A nerd at heart and lifelong maker, I've turned my passion into a career—creating props and projects that inspire others to embrace the maker mindset and bring their cosplay ideas to life.
